A Personal Invitation From the Consignors

We, the consignors of the Northwest Missouri Shorthorn Breeders Association, Inc., invite you to attend our eighth semi-annual sale of registered Shorthorn cattle on U. S. Highway 275 at Rockport, Missouri, Monday, October 6, 1947. Since we have been having these sales the cattle consigned have been consistently improved. Many of the breeders have bought outstanding bulls, of popular blood lines, to improve their herds and the sale cattle.

Northwest Missouri was the home of Goldfinder Diamond, and his offspring have constantly won at shows and improved the cattle where ever they went. Other great bulls which show prominently in the sale pedigrees are: Browndale Goldspur and other Wilson bulls. Many Bellows Bros. bulls. Calves by the sons of Calrossie Prince Peter, Merryvale Farms bull. Cruggleton Aspiration and other fine Sni-A-Bar bulls, Helfred Supreme and others from F. W. Hubbell. Some Canadian bulls and other great sires.

Our cattle have always sold conservatively. Why not be present and buy some of these bargains.

The Missouri State Board of Agriculture will sponsor our show at 10:00 a. m. Sale will start at 1:00 p. m.

Please let nothing detain you from attending this event for your profit and pleasure.

INVITATION TO PUBLIC

Anyone interested in attending our Shorthorn meeting and banquet will be welcome. Please make reservations with the secretary. This meeting will be held 7:00 p. m., Sunday, October 5, 1947, at the hotel cafe in Rockport, Mo.

General Information

LOCATION—The Sale will be held at the Rockport Sale Barn on Highway 275, Monday, October 6, 1947 Show, 10:00 A. M.—Sale, 1 P. M.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off, but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE—All cattle are sold subject to a sixty day retest for tuberculosis, and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the seller's herd he still fails to breed, he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a recorded transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot, and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they are furnished by the consignor or written from information supplied by the consignor.

We shall not be responsible for any accidents that may occur but we shall make every effort to provide for the safety and comfort of our guests.

BIDS—Those wishing to buy who cannot be present, may send bids to Mervin F. Aegenter, Shorthorn World; Keith Walker, Stock Yards Journal; or to either of the auctioneers, J. E. Halsey, Des Moines, Carl Graham, Maryville, Missouri; Donald Bowman, Missouri Ruralist.

This show and sale is co-sponsored by the Missouri State Board of Agriculture, Rockport Community Club and the Northwest Missouri Shorthorn Breeders Association, Inc.

MISSOURI STATE DEPARTMENT OF AGRICULTURE AWARDS

The State of Missouri, Department of Agriculture, will award to all animals in each class that can qualify as blue ribbon, red ribbon, and white ribbon animals, their respective earned ribbons and a cash premium of \$6.00 for Blue, \$4.50 for Red, and \$3.00 for White.

These awards are made possible through an appropriation by the Missouri Legislature to encourage the production, distribution and use of better breeding animals in Missouri.

BLUE RIBBON Animals are excellent individuals.

Only animals of outstanding quality, unusually good type, symmetry, and conformation, in sufficiently good flesh and adequately fitted to demonstrate fully their qualifications will be placed in this group. These are animals of unusual merit that would in every case be a valuable addition to the top breeding herds of the state.

RED RIBBON Animals are superior individuals.

Only animals of superior quality, of good type and without any major defect, plainly demonstrating the superiority of their qualifications will be placed in this group. These animals should be sufficiently good to improve any commercial herd and most small breeders herds.

WHITE RIBBON Animals are good individuals.

Animals of somewhat less desirable type and with one or more rather objectionable characteristics may be placed in this group. These are animals that would improve commercial herds and would in every case be superior to grade and scrub animals.

Unworthy animals will not be classified.

ROLLO E. SINGLETON, Superintendent of Show.

Judge—William (Bill) Milne, Manager Merryvale Farm, Grandview, Mo.
